There is a case of foot and mouth disease about twelve miles from me.

Owing to the large attendance at my sales from so wide a territory, it was thought best to postpone my sale for 60 days or until the quarantine is lifted. **Save your catalog.**

# Announcement

This is the fourteenth public offering of Short-Horns at Wayside Farm.. In breeding it will be all Scotch but one. Individually they include cattle that have been good winners at the county and state fairs of Iowa, Minnesota and South Dakota, and there will be some among the lot that will go out and win again next year. I don't believe there will be another sale held in the United States this spring where more high class cattle the get of one bull will be sold. If there is I want to be there. B. O. Cowan said at my sale February 17, 1910: "I never saw ten as good bulls bred by one man and sold in one sale before in my life." The newspaper men say I am selling the best ten bulls I ever had at one time. If you need a herd bull be here.

We guarantee all bulls breeders with proper handling and at proper age. If they fail to breed in buyer's hands we reserve the right to try them. If they fail to be getters we will furnish another bull or refund money. Cows with calves at foot are proven breeders; cows and heifers that have passed three periods from last breeding will also be considered breeders and no further guarantee given unless they come in heat in thirty days from date of sale when we must be notified and we will try them; if they fail, we will refund the money. Heifers not yet bred will be sold open and at buyers's risk. All animals must be returned in as good flesh as when sold or the guarantee will not apply.

Parties returning animals to pay the freight.

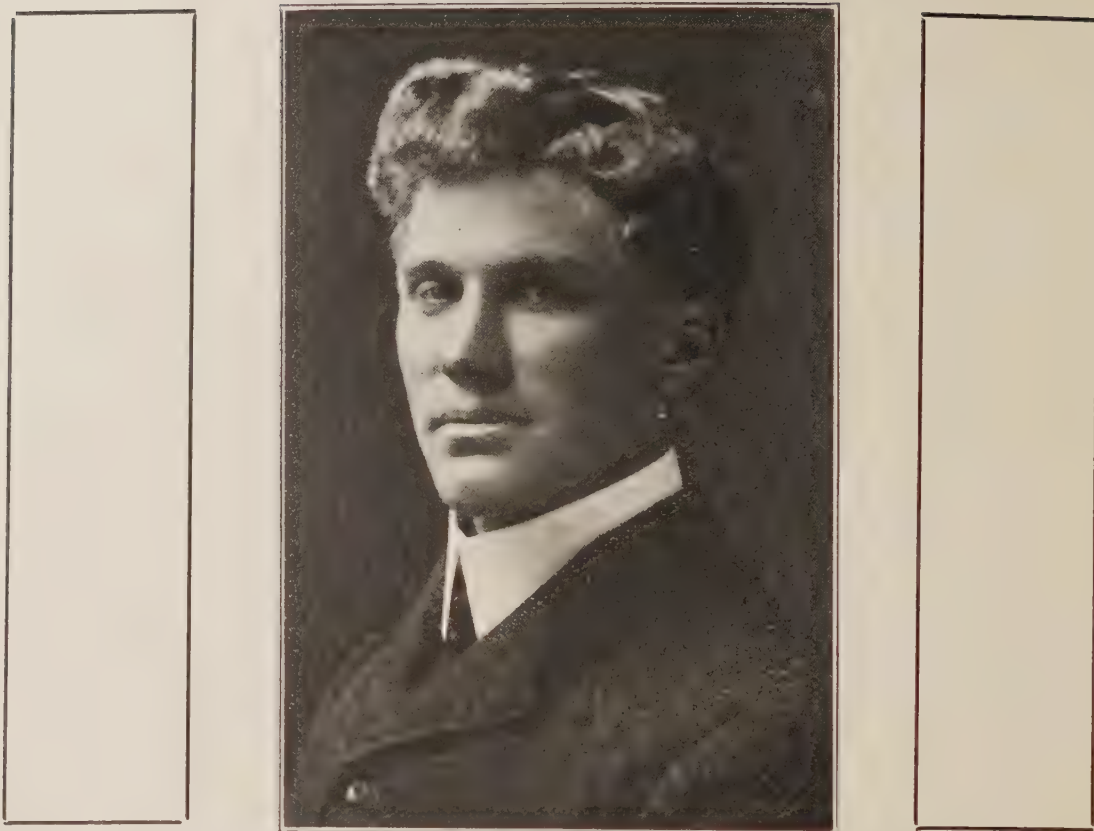

All inquiries answered and defects pointed out if known. Animals at buyer's risk as soon as bid off. Cattle will be put on cars free of charge. Parties from a distance will be entertained at the Altoona. Dinner at noon at the farm. Sale under cover at 1:00 o'clock.

**NOTICE**—Cattle bought to go into quarantined districts will be kept until such quarantine is lifted.

**TERMS**—Cash, or six months time at 7 per cent on bankable paper.

**Golden Fame** has been sought after by some of the best breeders of three countries. When sold from Kinellar, the place of his birth, the contending bidder against John Isaac was Mr. Duthrie of Scotland, but the Canadian won. When sold at Mr. Isaac's sale of Imported bulls Mr. Gerlaugh of Ohio, followed him out, but again he went to a Canadian—Mr. Flatt. Here at Trout Creek he was used for over two years and became one of the known breeding bulls in Canada. Mr. Flatt put him in his great Chicago sale in 1900, and Jordan and Dunn of Iowa secured him at Mr. Donahey's closing out sale; he came to Maine Valley, where he is siring a uniform lot of choice individuals. As his name indicates he is of the noted Golden Drop family, which gave Mr. Campbell much of the reputation he has over all the short-horn world, as a breeder of very choice cattle. From this family came not only show animals but also heavy milkers.

**Golden Fame** has been sought after by some of the best breeders of three countries. When sold from Kinellar, the place of his birth, the contending bidder against John Isaac was Mr. Duthrie of Scotland, but the Canadian won. When sold at Mr. Isaac's sale of Imported bulls Mr. Gerlaugh of Ohio, followed him out, but again he went to a Canadian—Mr. Flatt. Here at Trout Creek he was used for over two years and became one of the known breeding bulls in Canada. Mr. Flatt put him in his great Chicago sale in 1900, and Jordan and Dunn of Iowa secured him at Mr. Donahey's closing out sale; he came to Maine Valley, where he is siring a uniform lot of choice individuals. As his name indicates he is of the noted Golden Drop family, which gave Mr. Campbell much of the reputation he has over all the short-horn world, as a breeder of very choice cattle. From this family came not only show animals but also heavy milkers.

**Golden Fame** has been sought after by some of the best breeders of three countries. When sold from Kinellar, the place of his birth, the contending bidder against John Isaac was Mr. Duthrie of Scotland, but the Canadian won. When sold at Mr. Isaac's sale of Imported bulls Mr. Gerlaugh of Ohio, followed him out, but again he went to a Canadian—Mr. Flatt. Here at Trout Creek he was used for over two years and became one of the known breeding bulls in Canada. Mr. Flatt put him in his great Chicago sale in 1900, and Jordan and Dunn of Iowa secured him at Mr. Donahey's closing out sale; he came to Maine Valley, where he is siring a uniform lot of choice individuals. As his name indicates he is of the noted Golden Drop family, which gave Mr. Campbell much of the reputation he has over all the short-horn world, as a breeder of very choice cattle. From this family came not only show animals but also heavy milkers.
